No words or smells have I and hence,
You could say I have no sense.

What do I need?

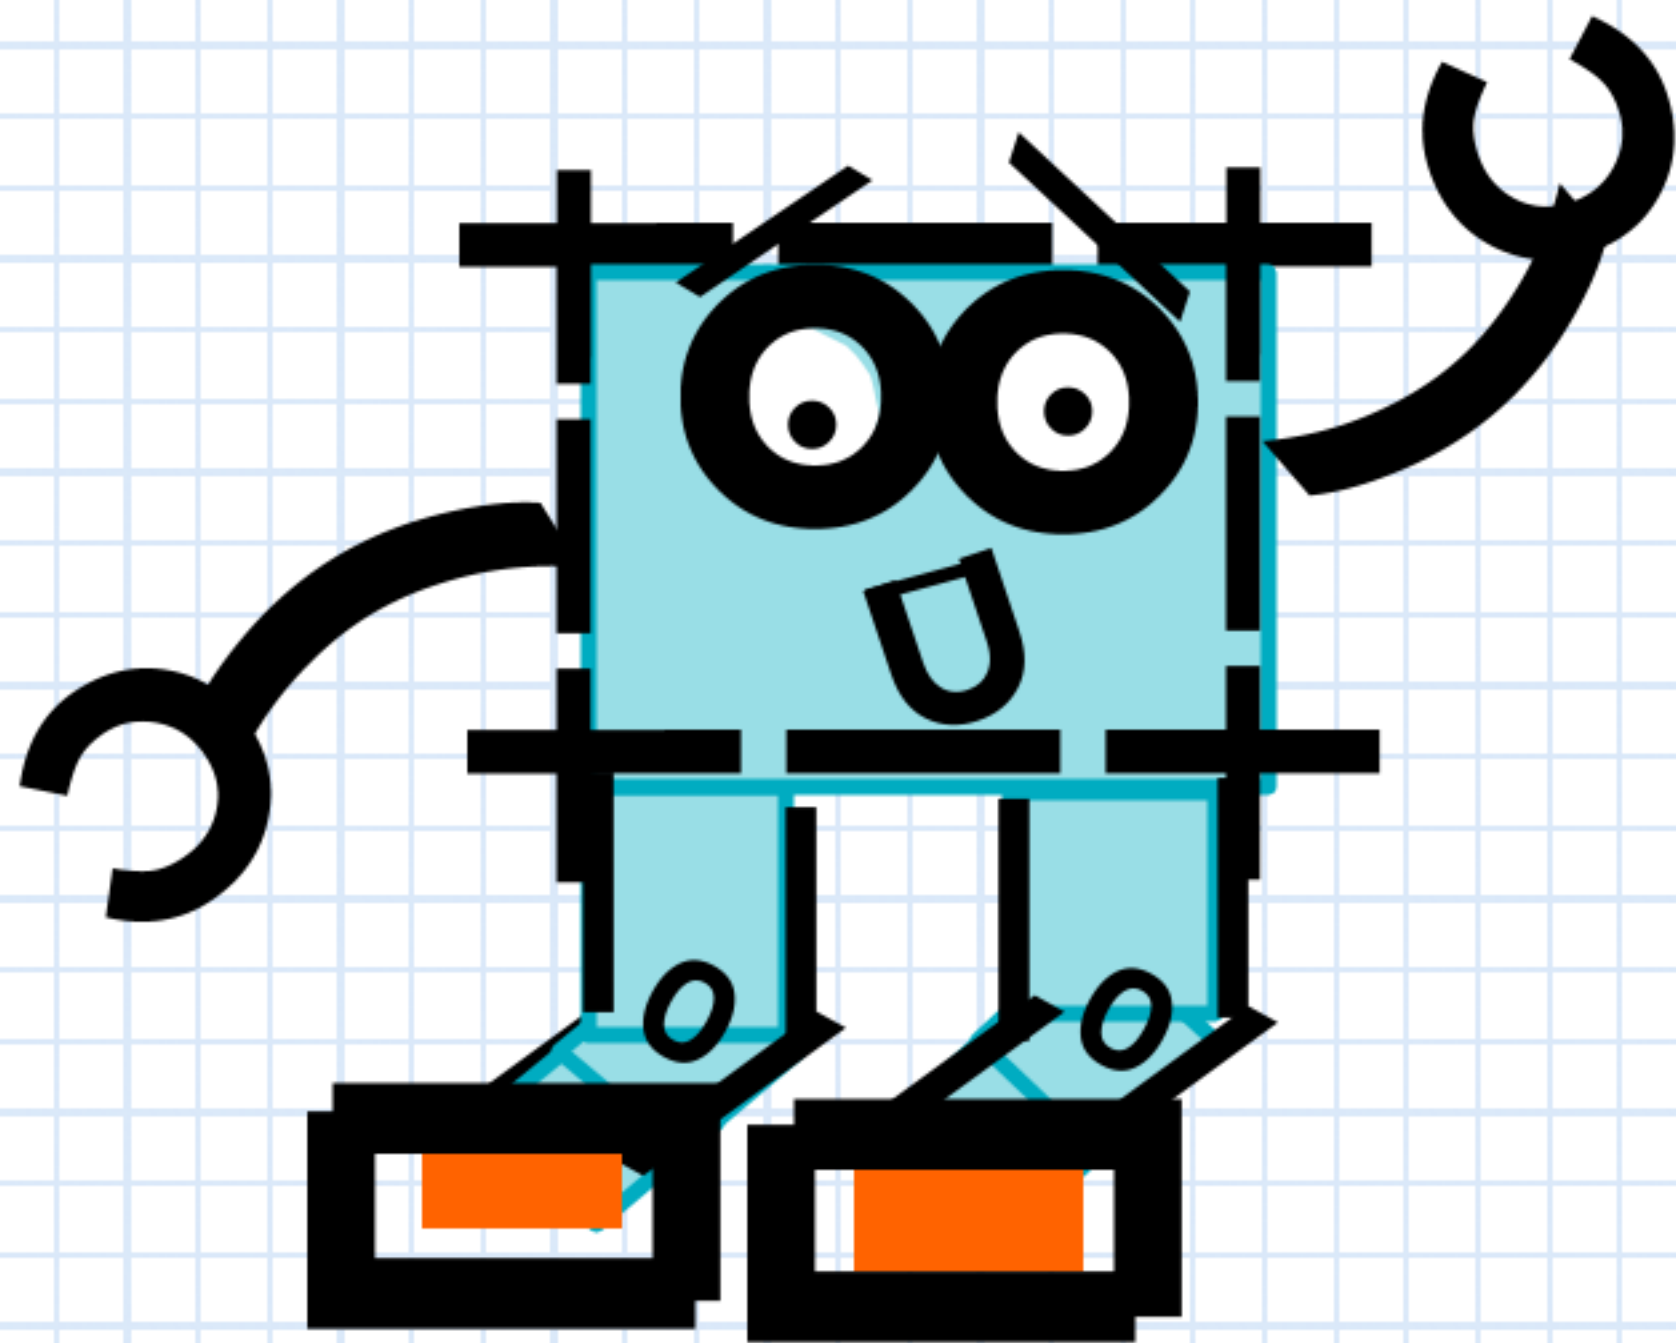

A face

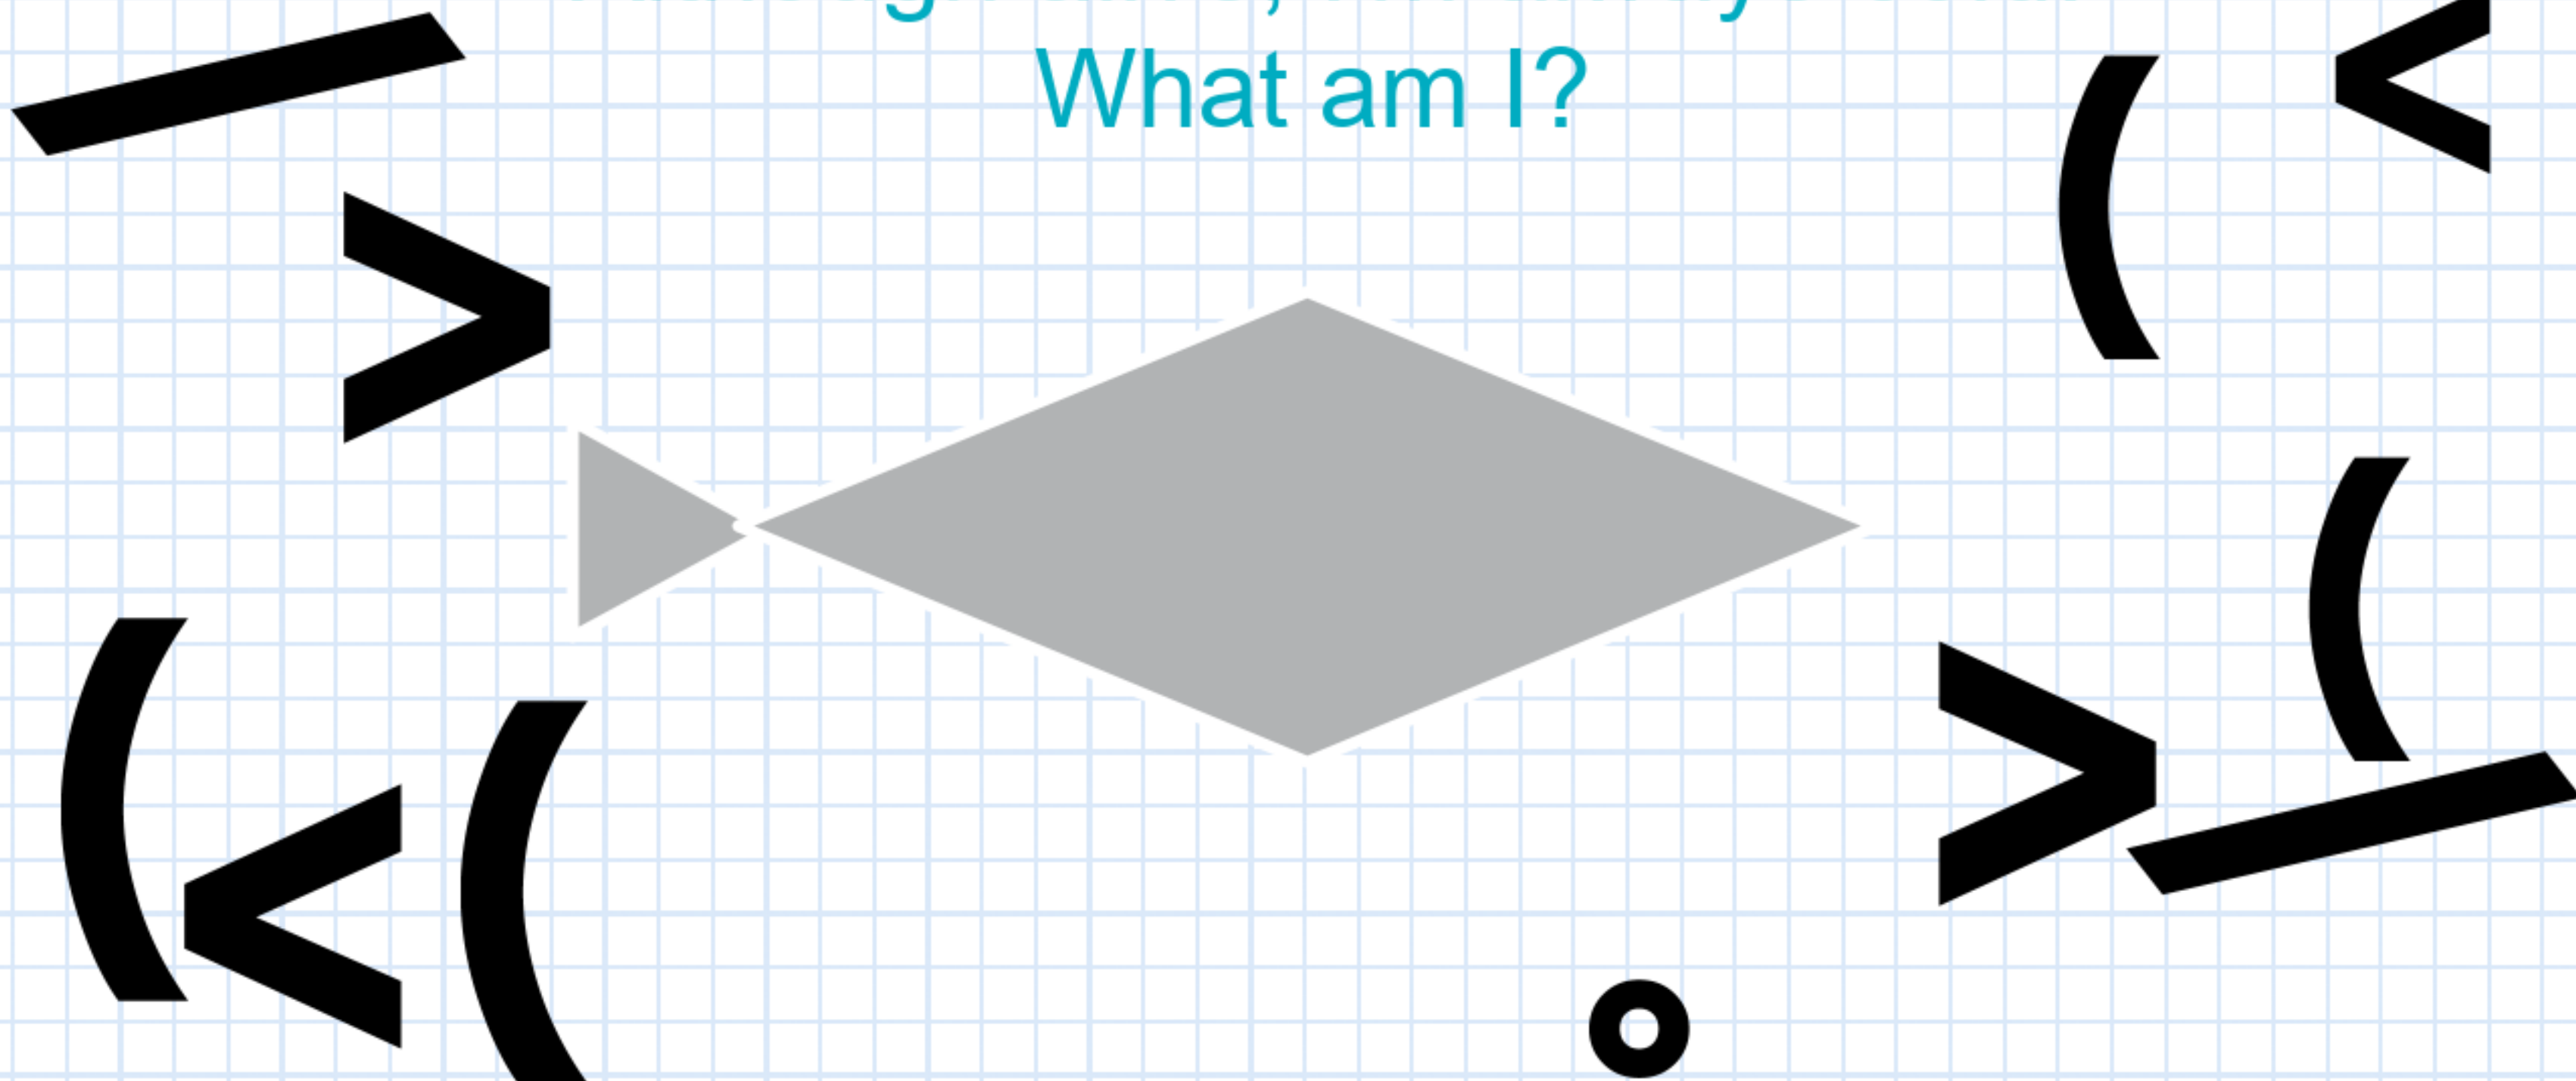

I've got so many things
to do.
But where I go depends
on you.

Who am I?

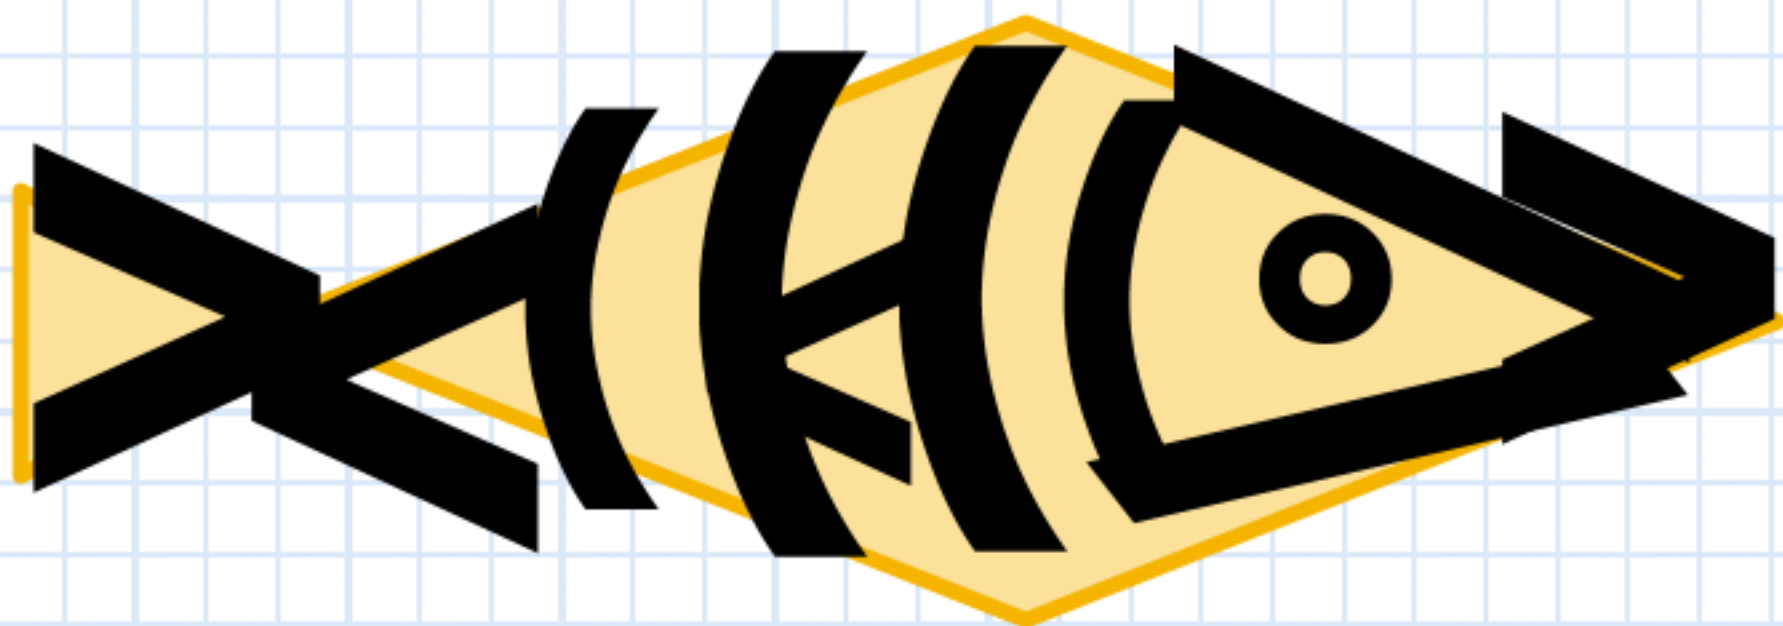

Marty

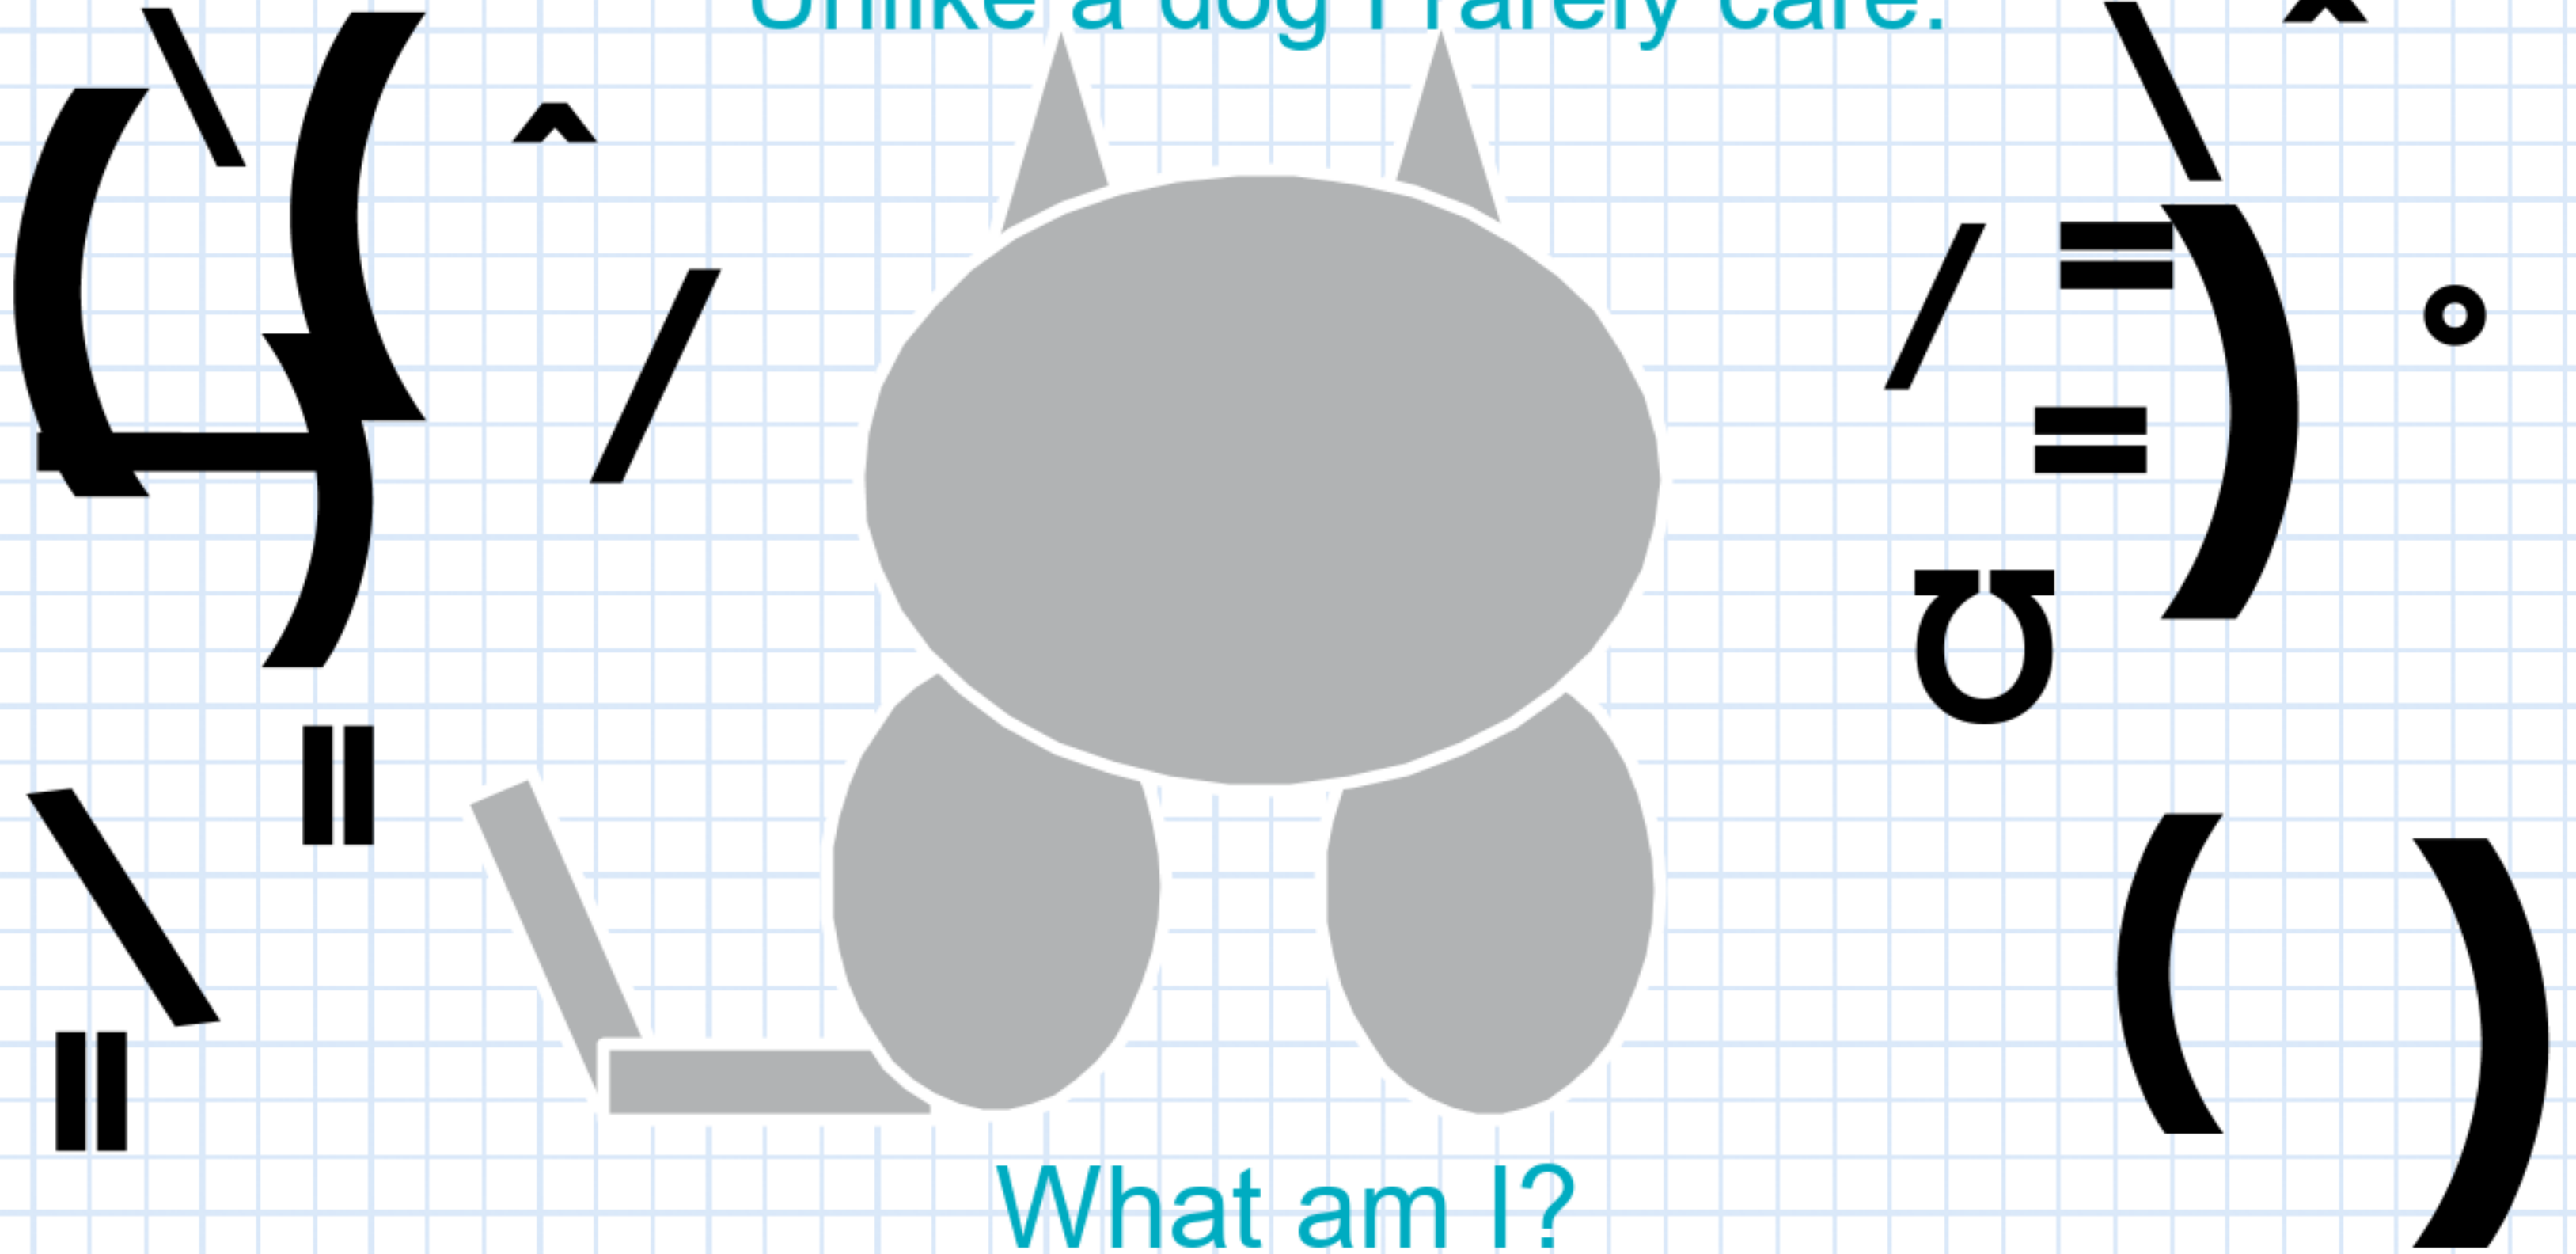

I'm a pet you never hold.
Although alive, I'm always cold.
What am I?

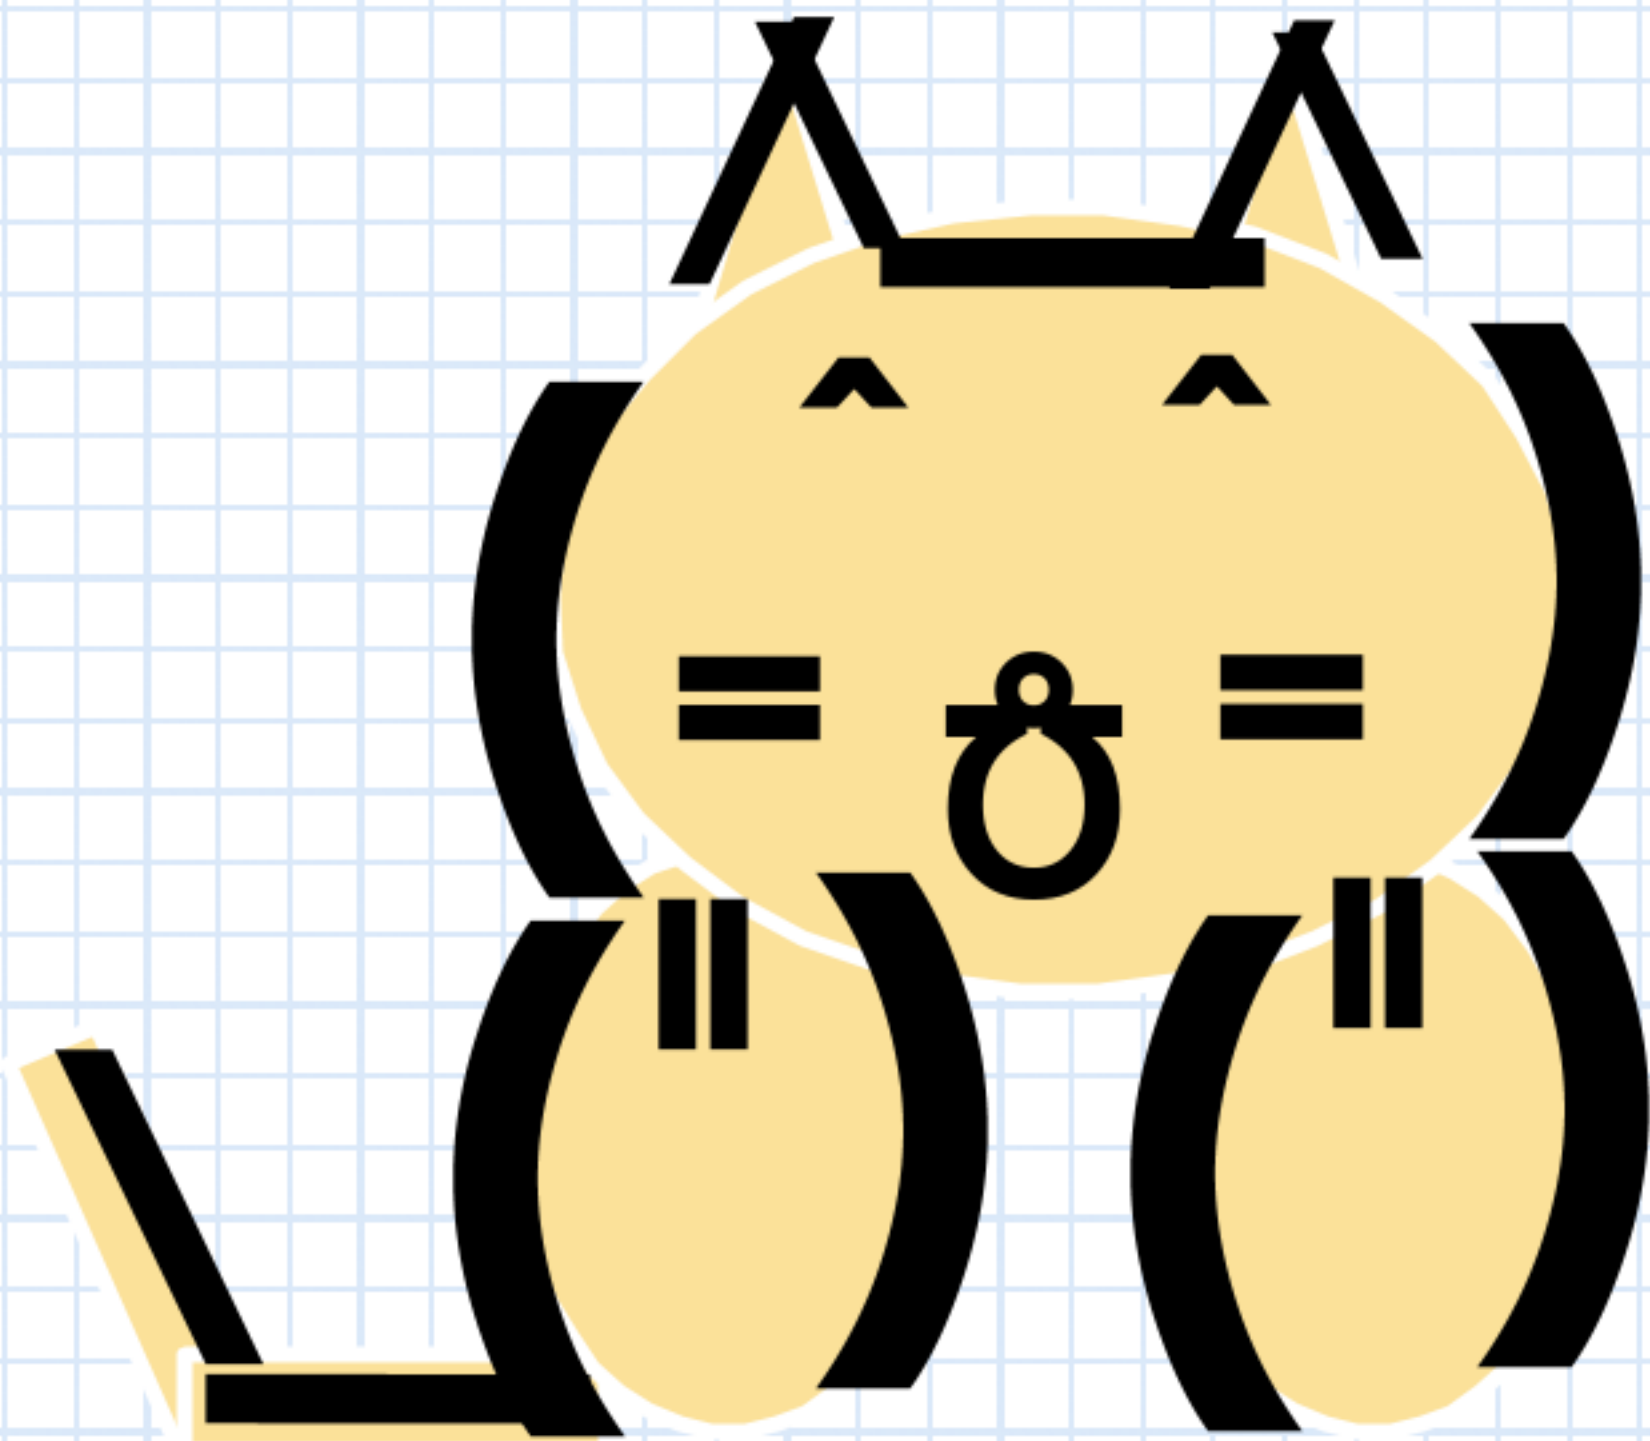

A fish

I have just one, but eight to spare,
Unlike a dog I rarely care.

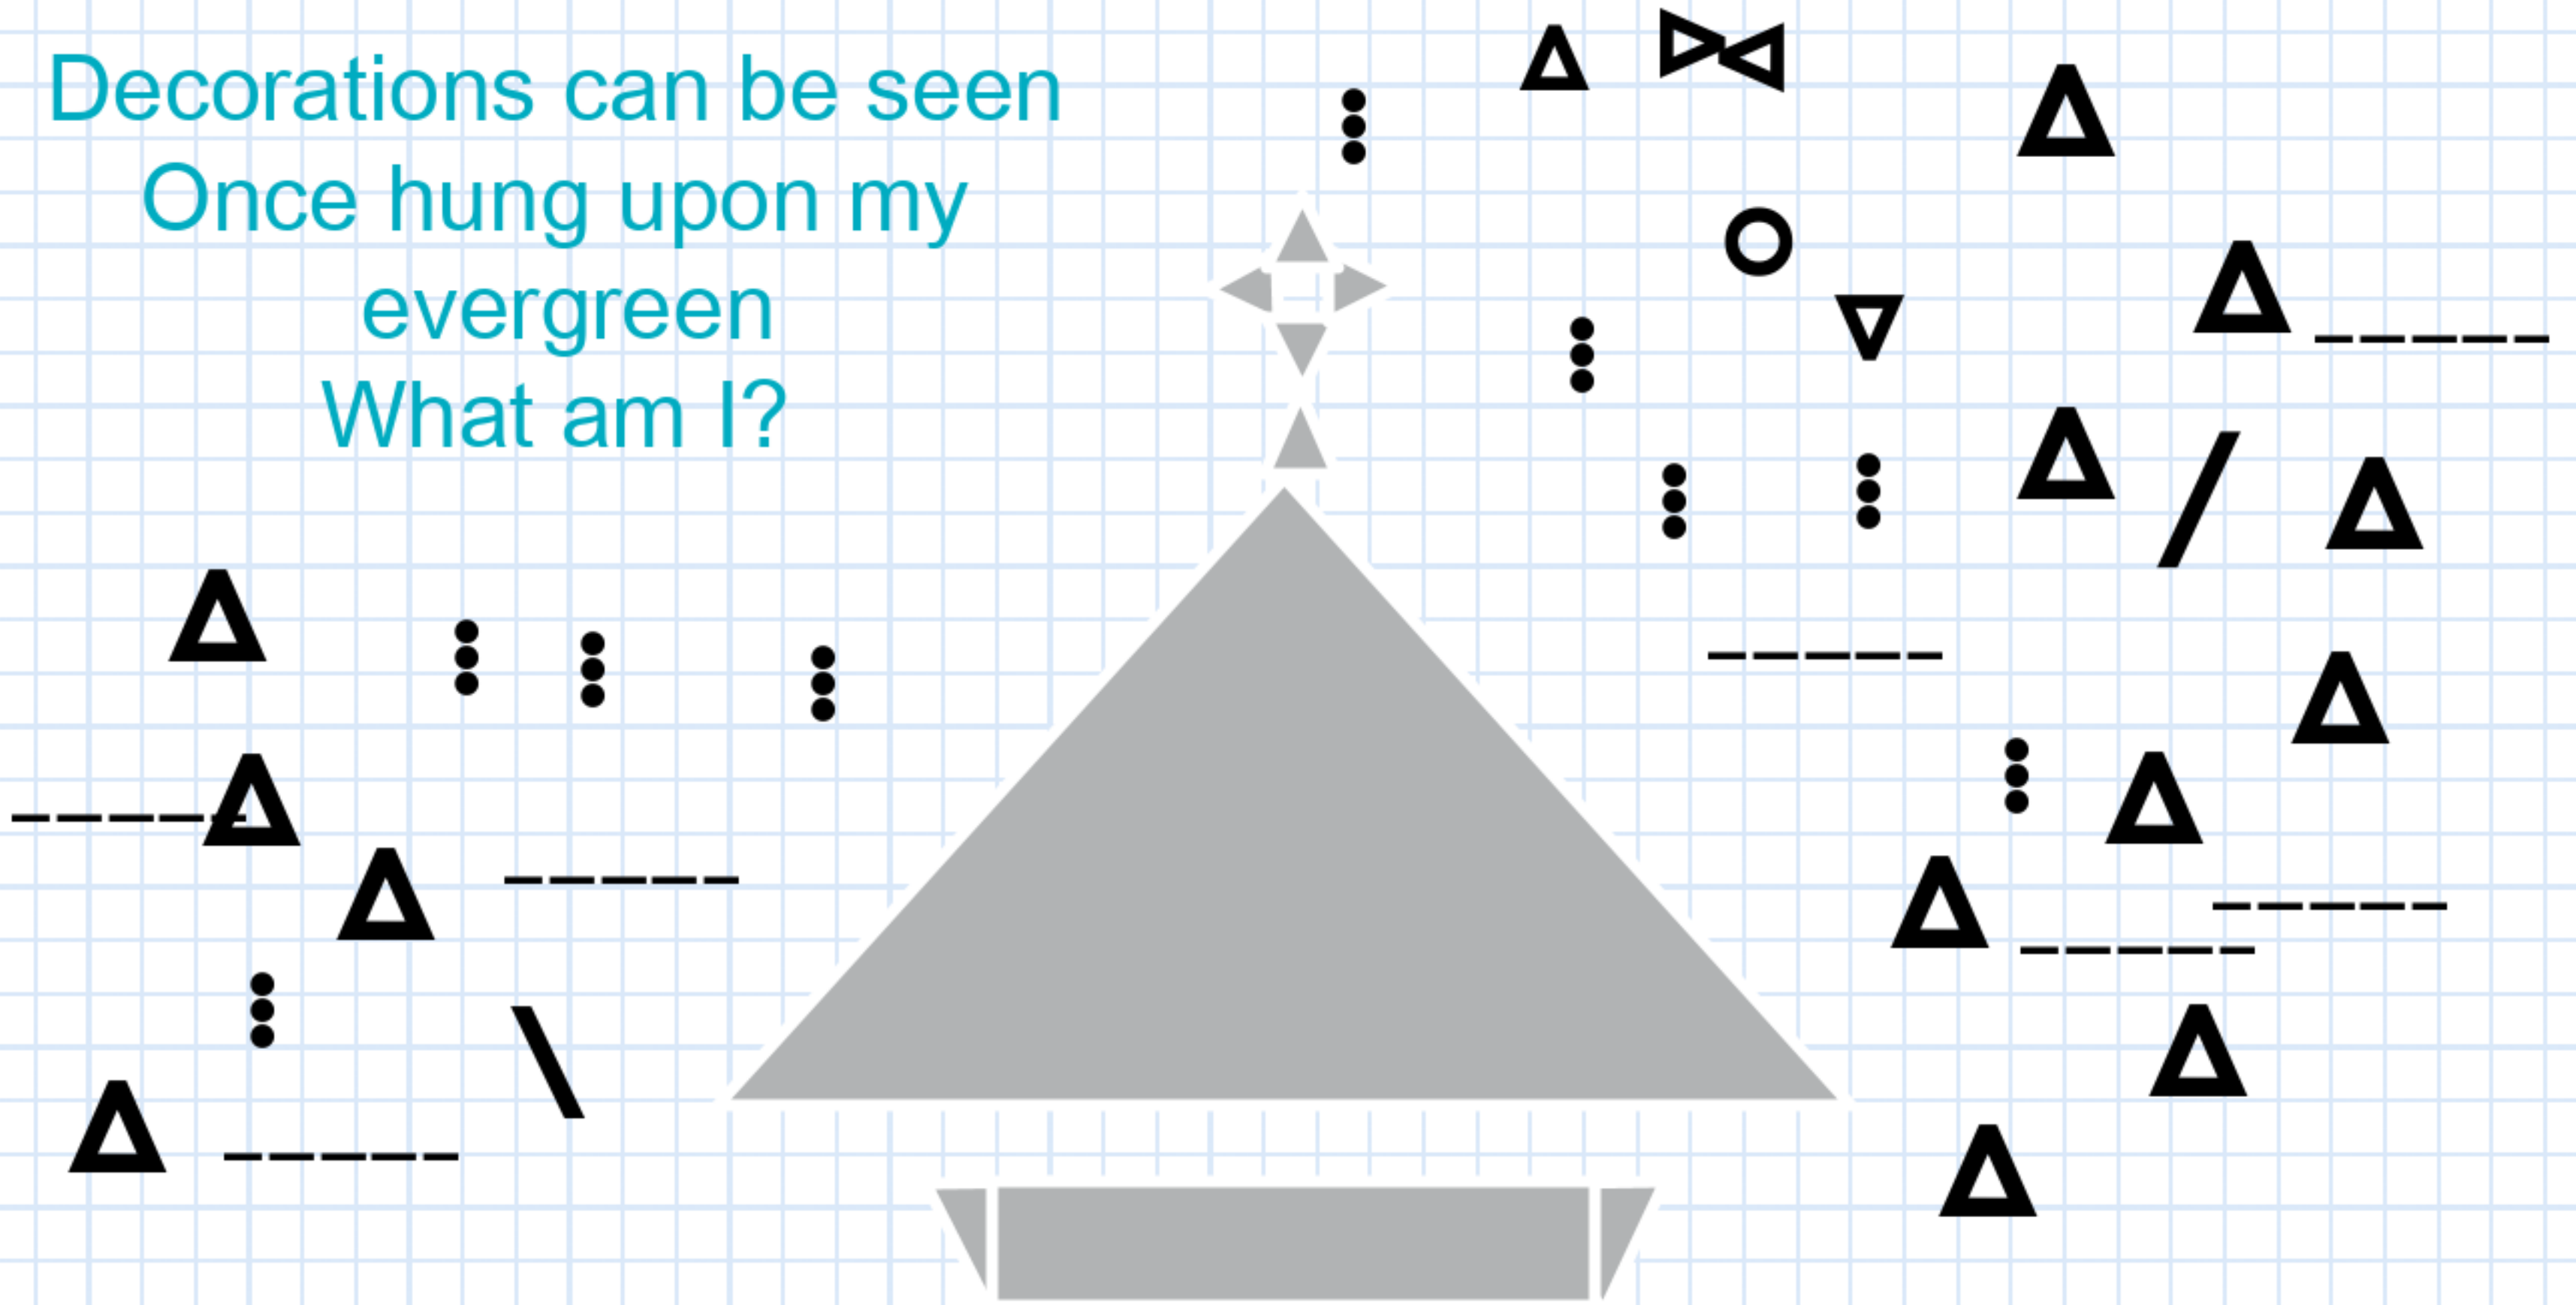

What am I?

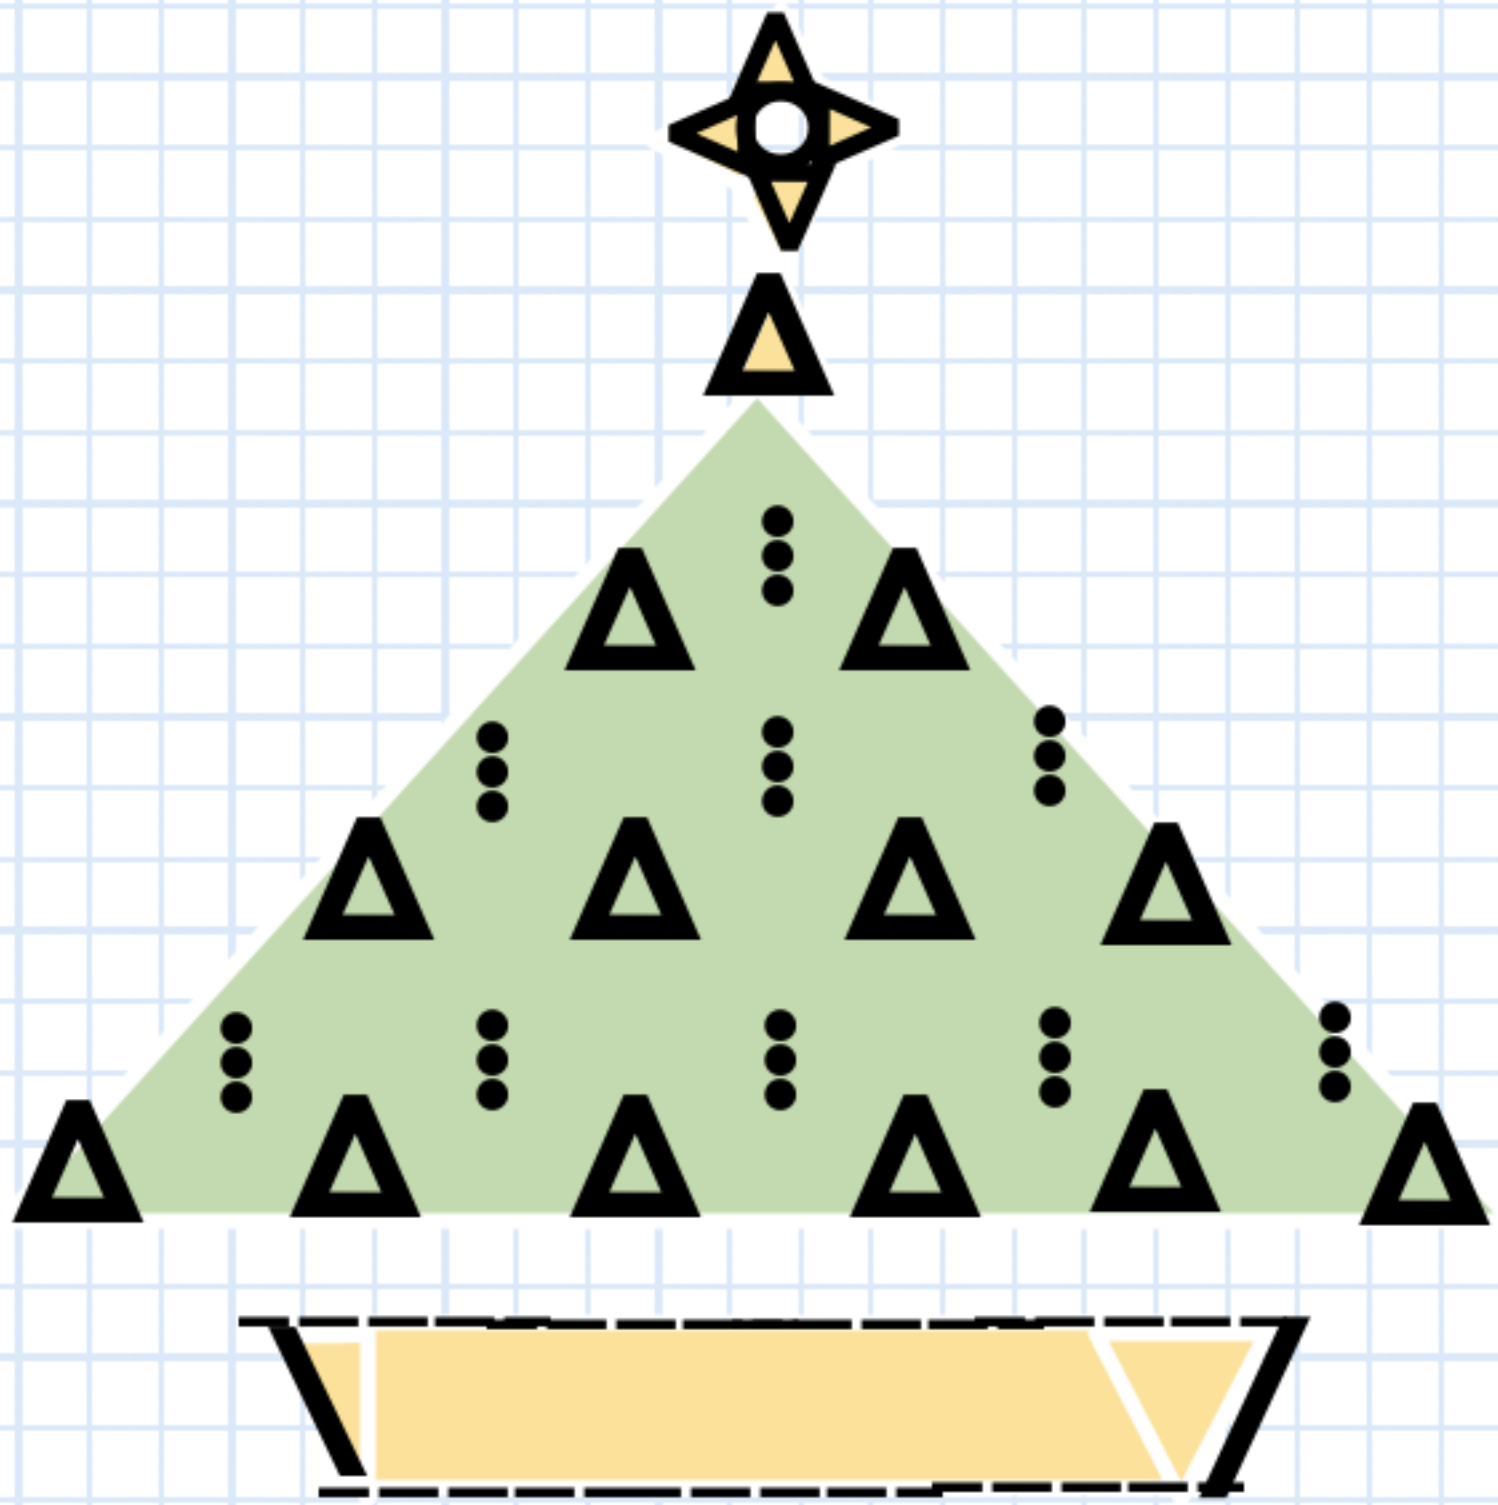

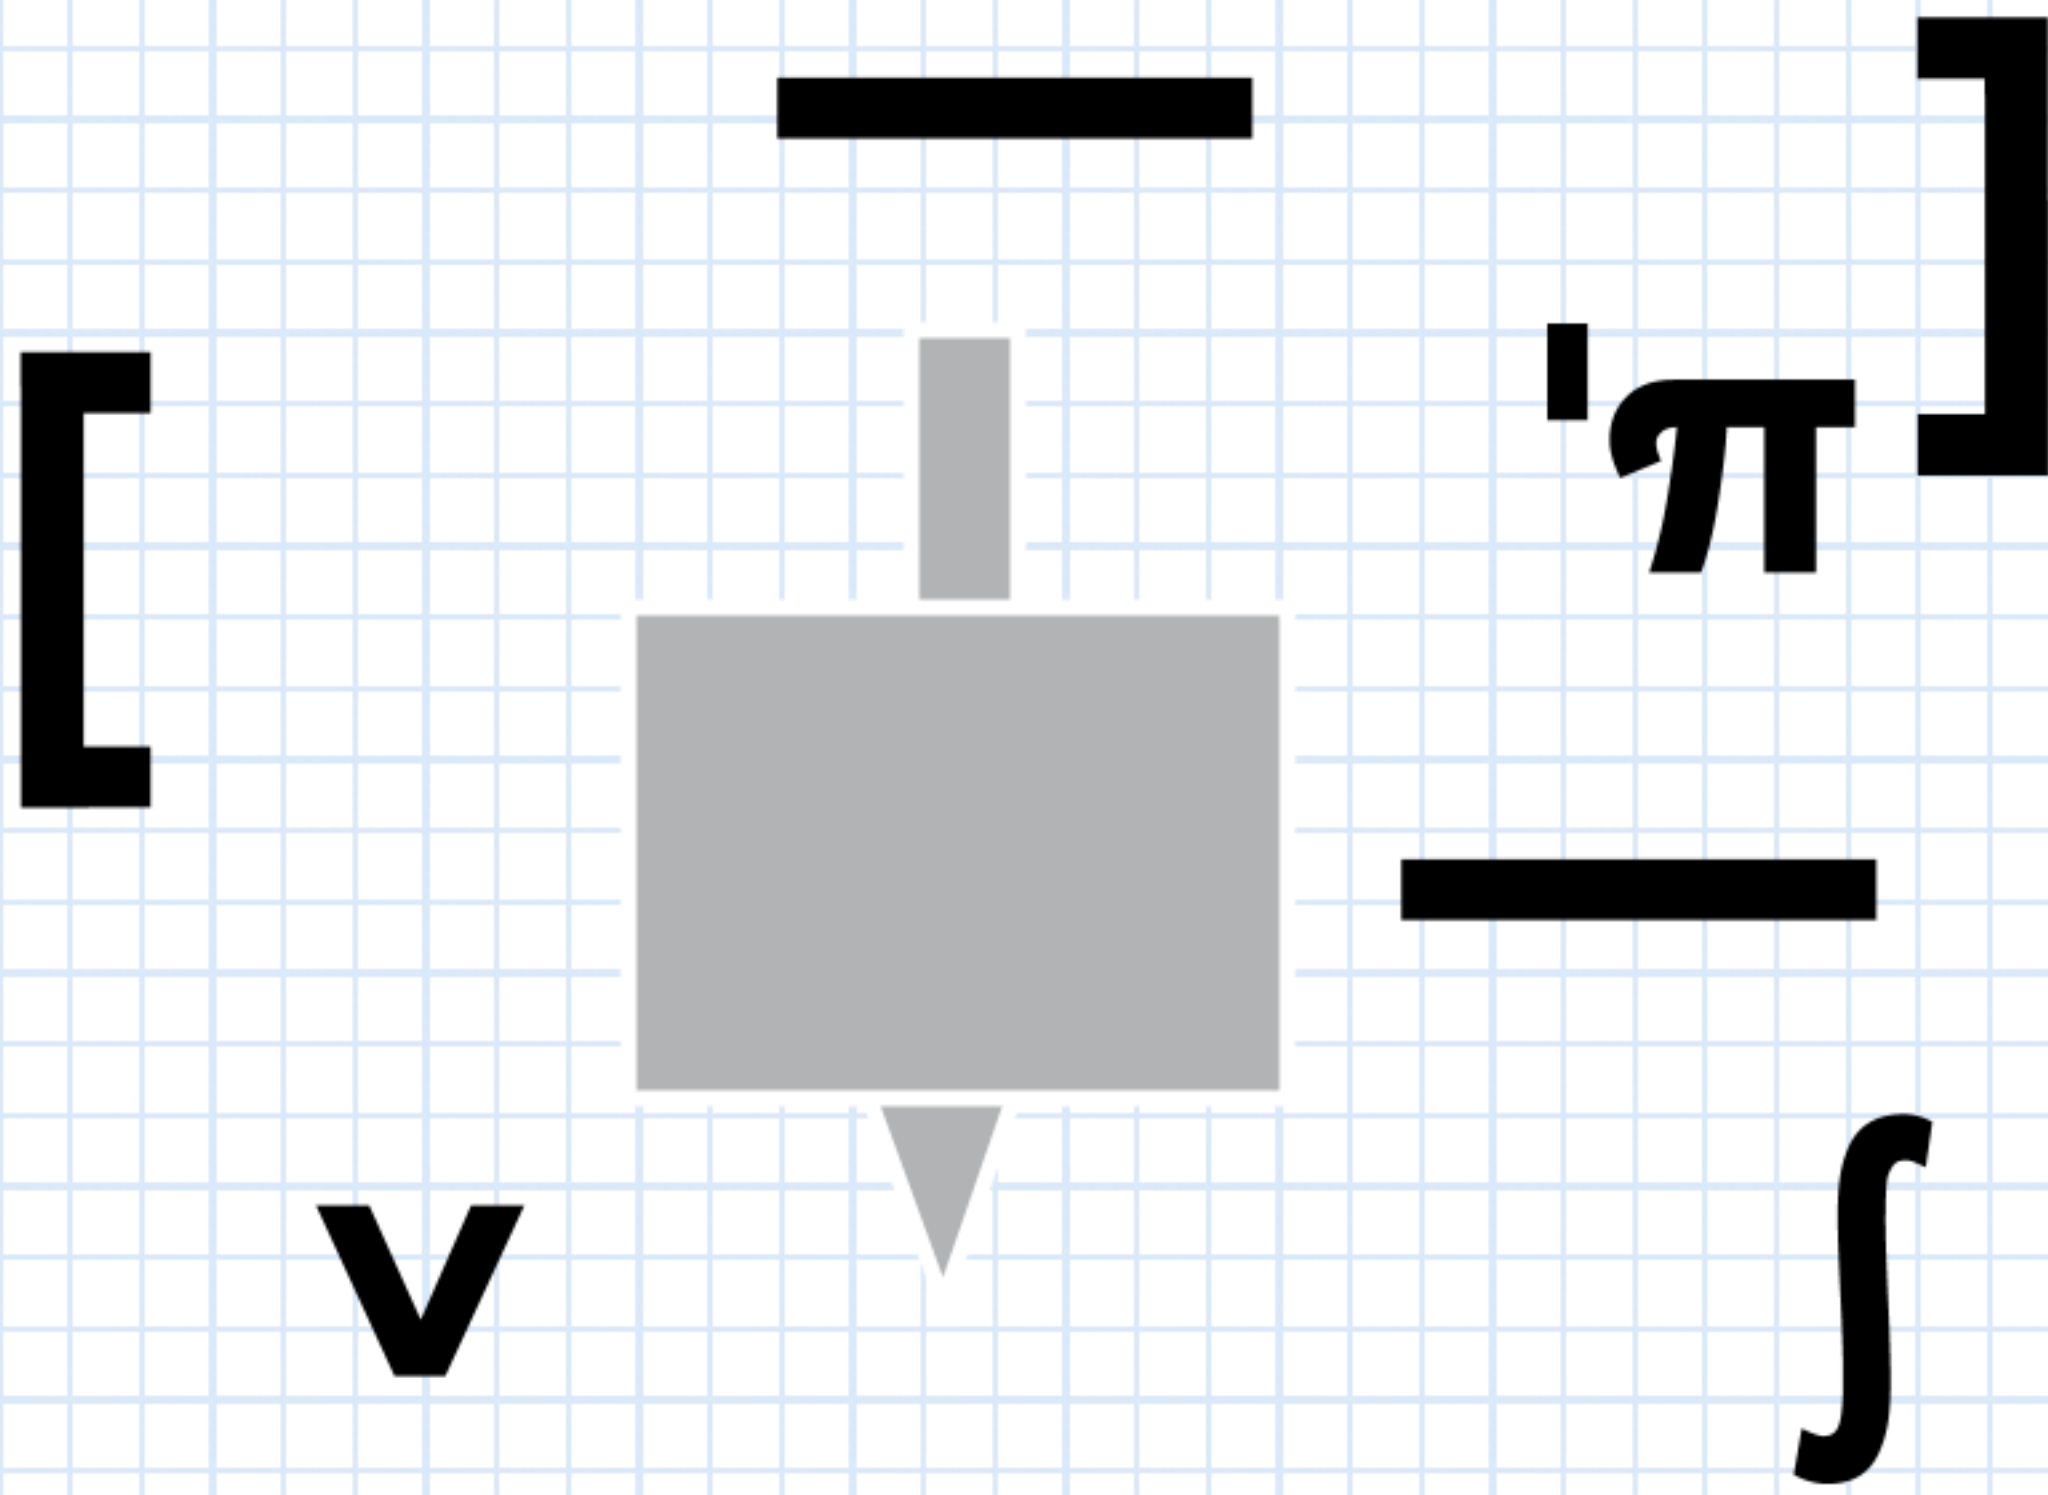

A cat

Decorations can be seen
Once hung upon my
evergreen
What am I?

A Christmas tree

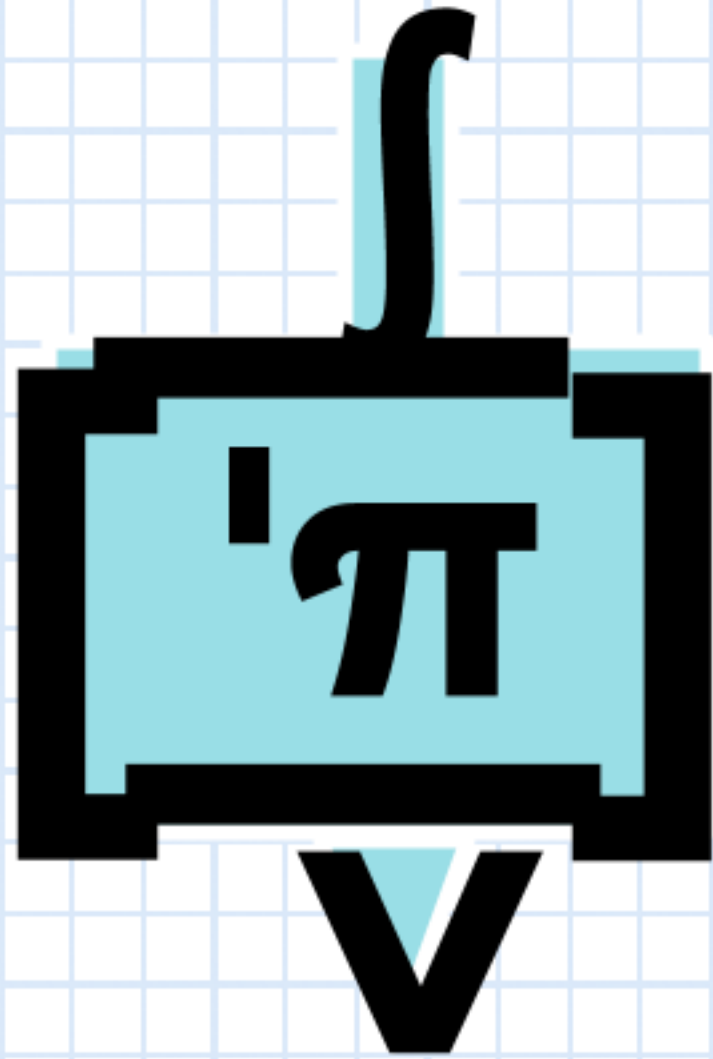

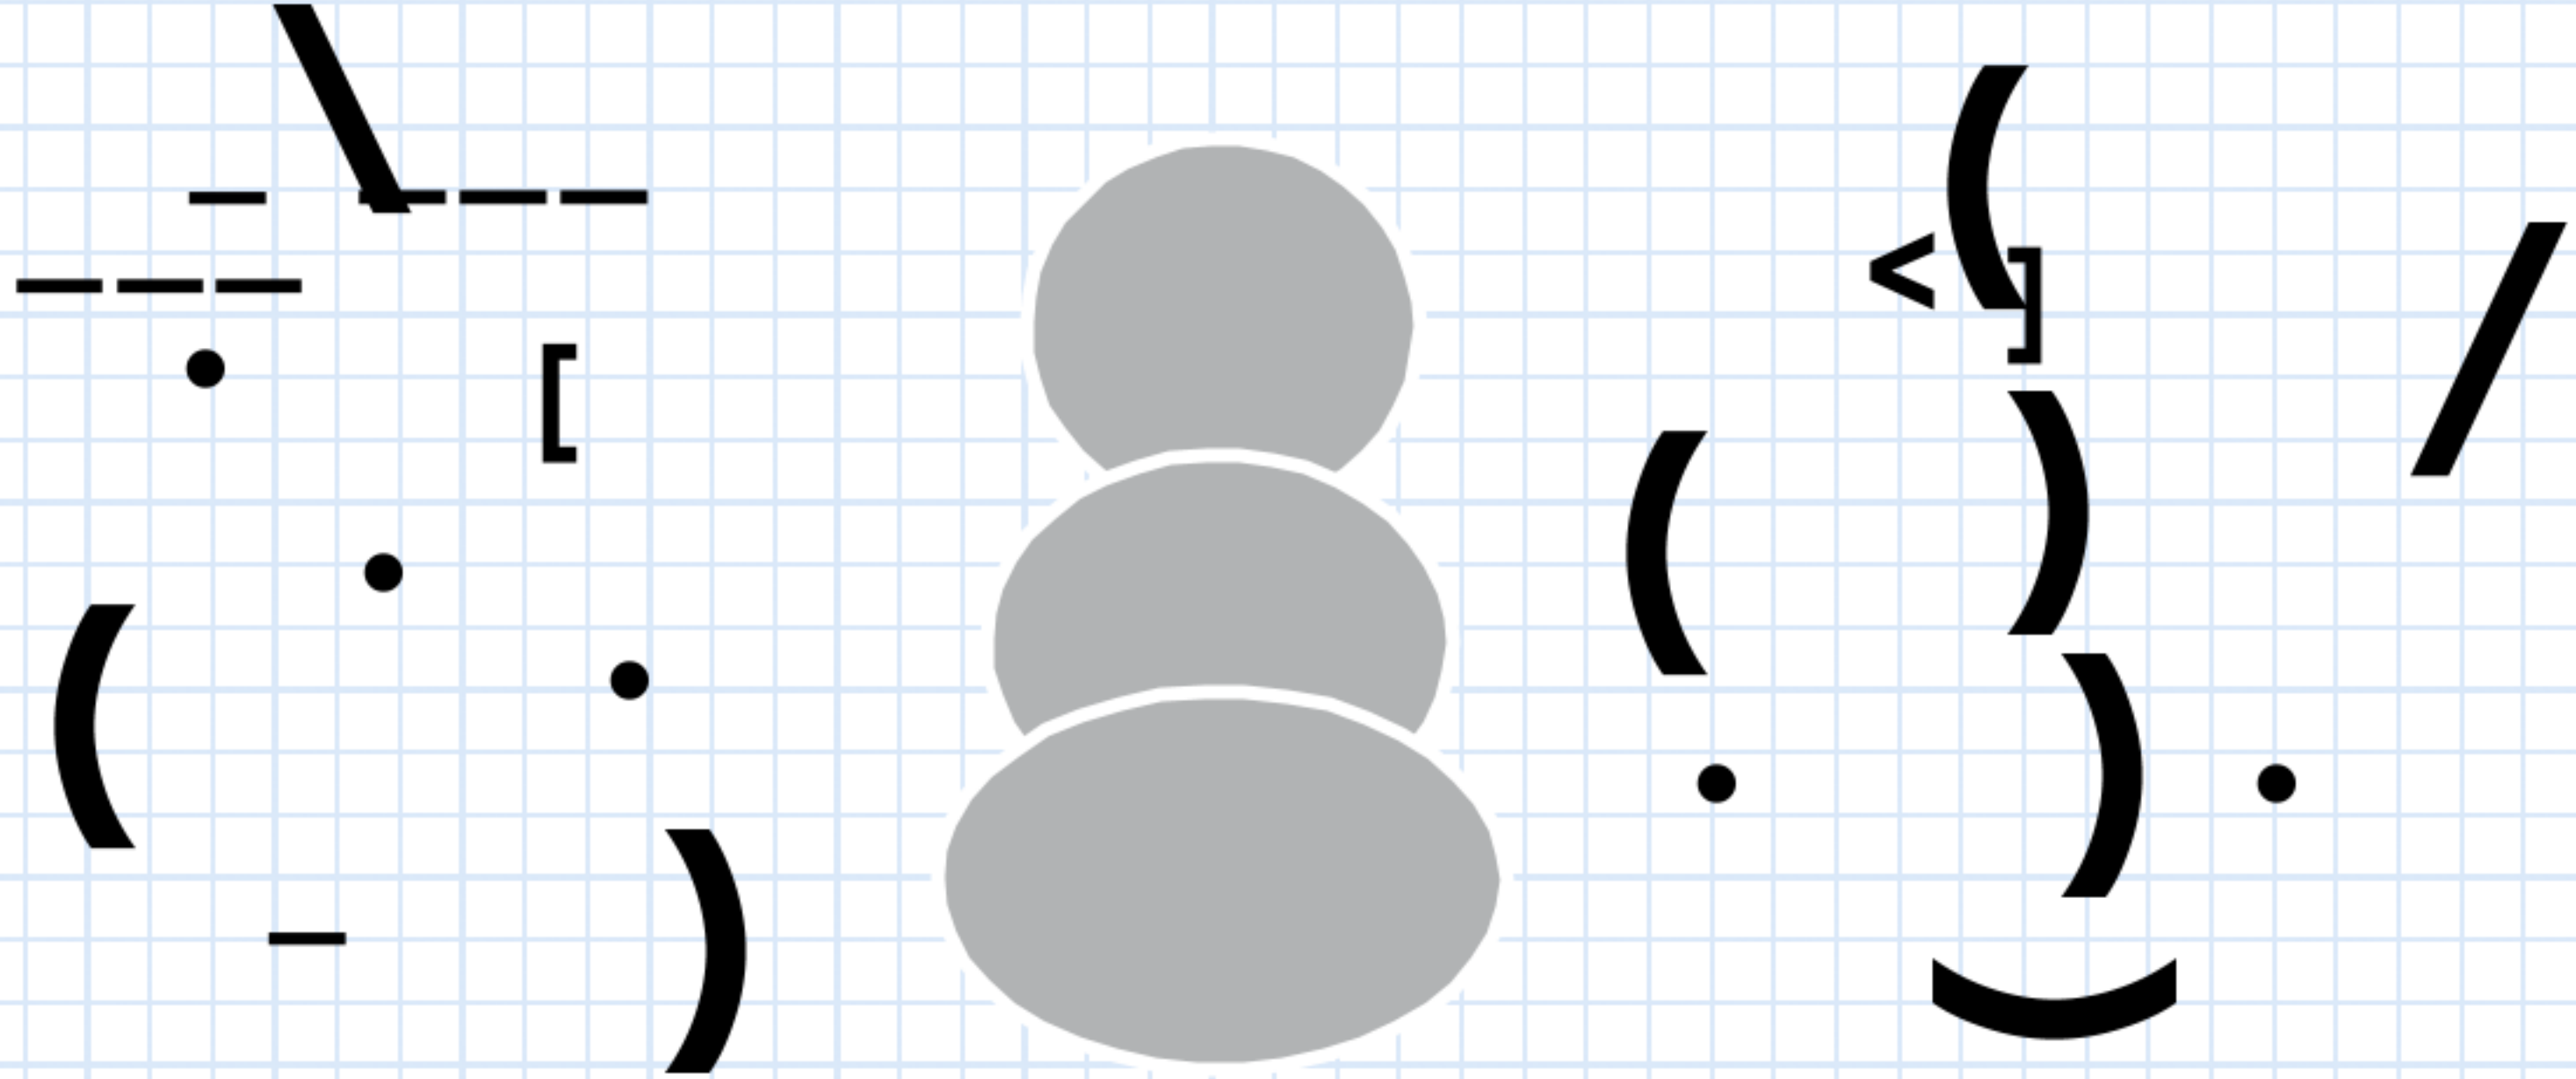

I spin
around.
You keep
me busy.
But when I
drop, I'm
never dizzy.

What am I?

A dreidle

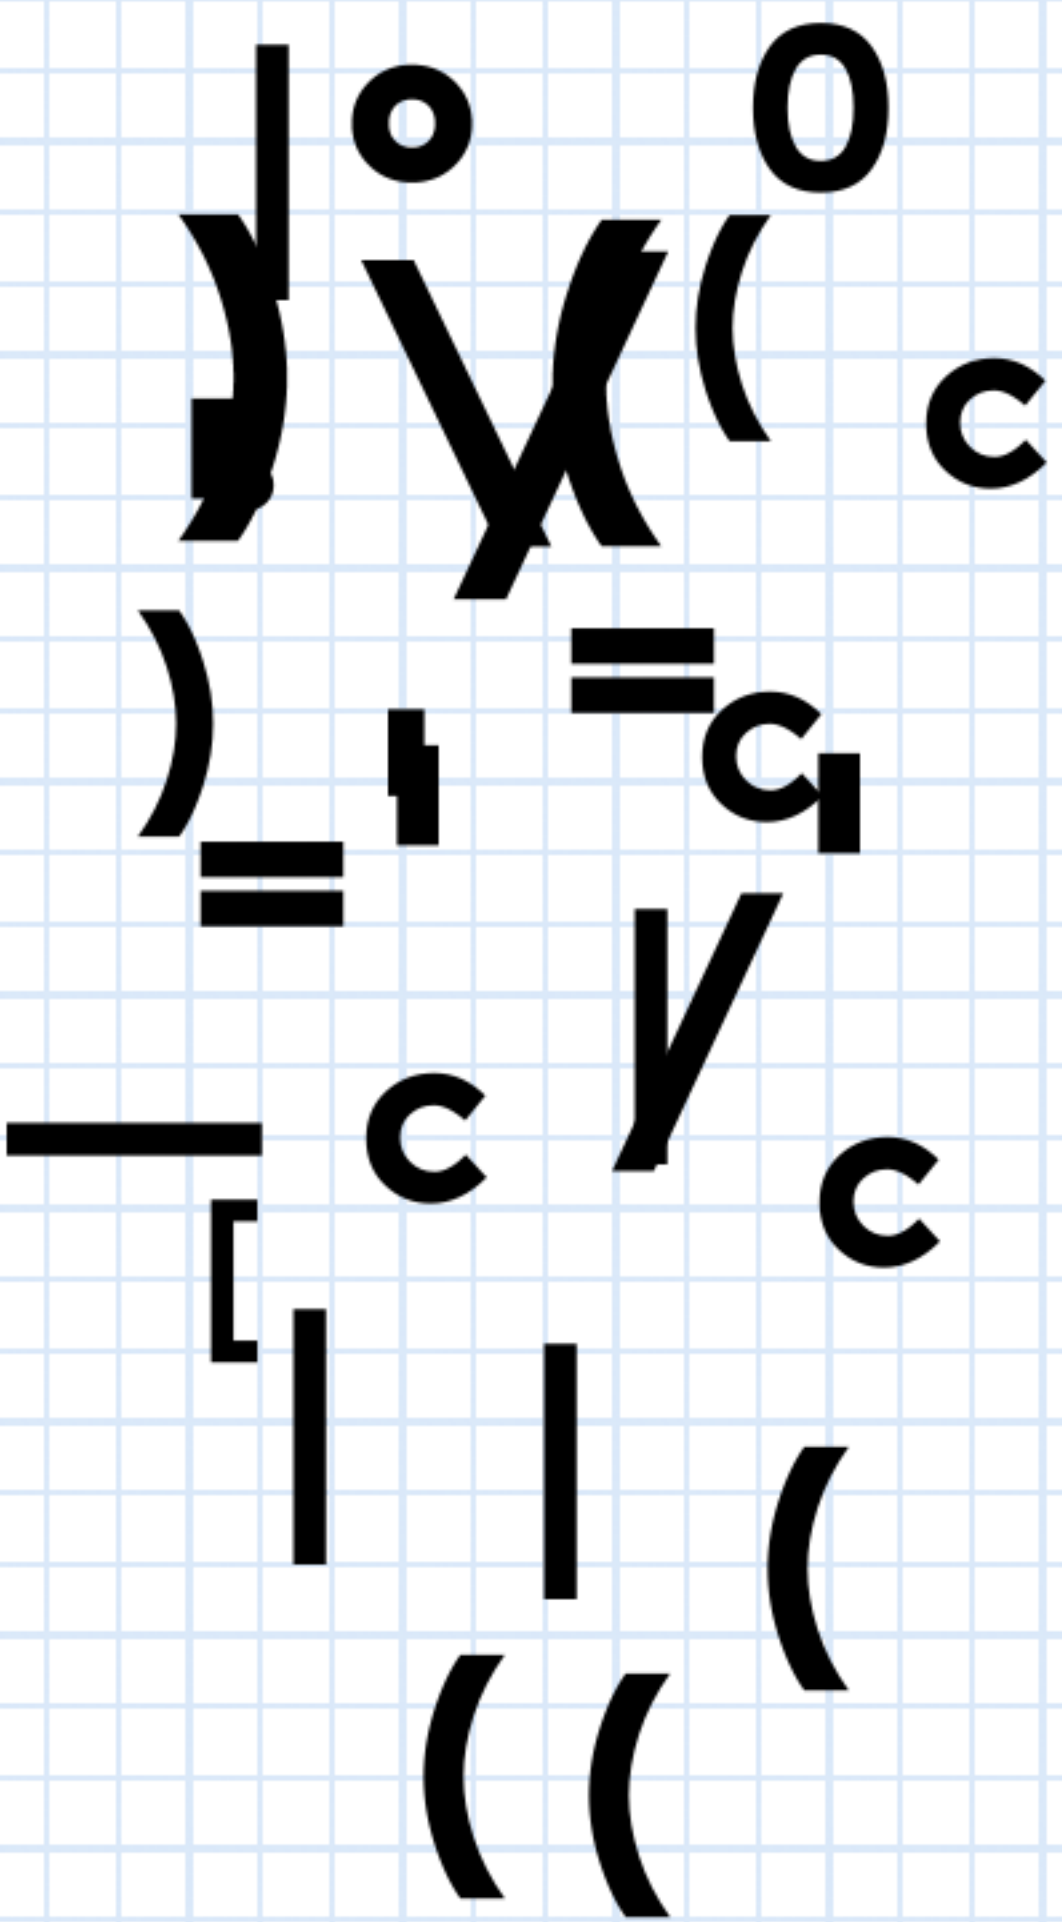

Please don't hug me tight or cuddle.
Or I will melt into a puddle.

What am I?

A snowman

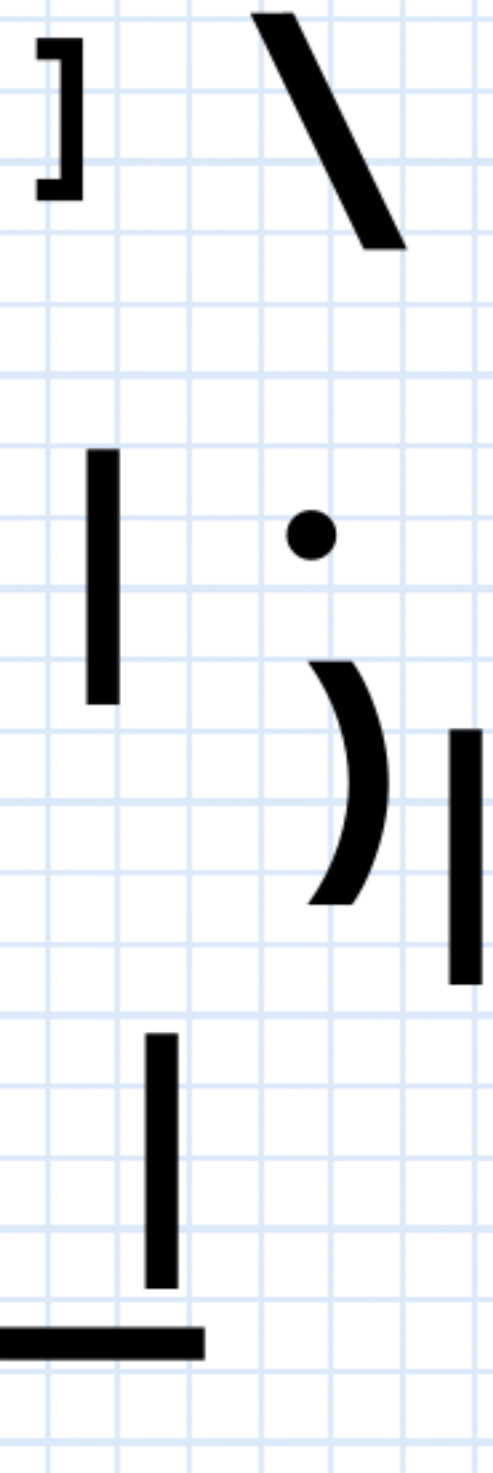

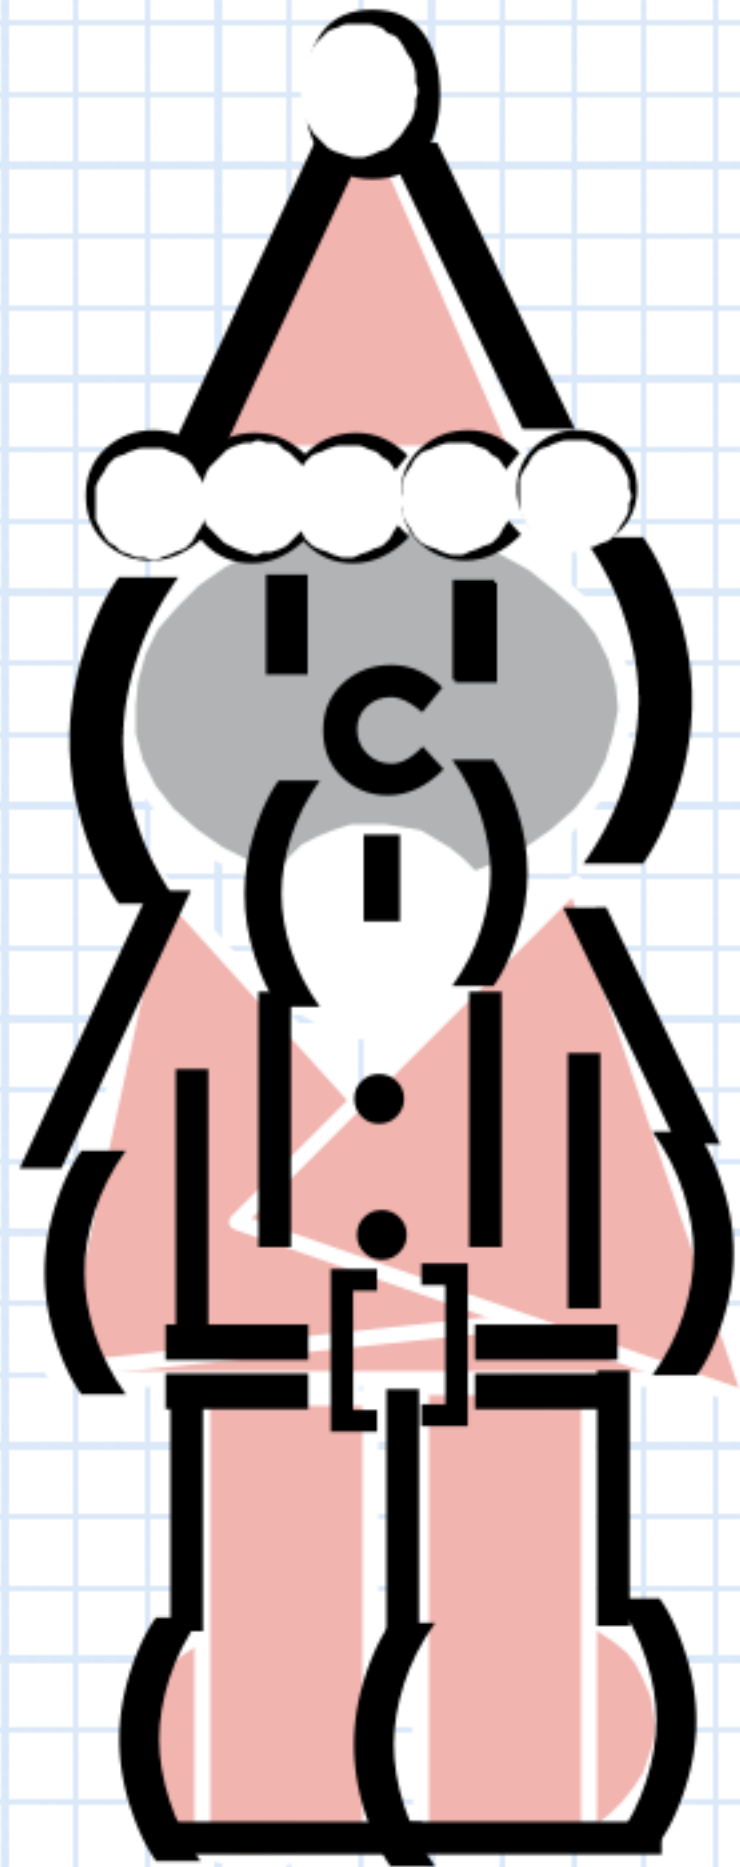

Can you solve this one without any outline?

I'm jolly and I'm filled with cheer. I visit you just once a year!

Who am I?

C

Santa
